On their way to Ecruteak City for Ty's fourth gym badge, the gang arrives at Bonitaville, they are walking looking around just as Ash remembers visiting to this city since his journey with Misty and Brock and mentions that they have a Pokemon Beauty Contest from last time, Raye was amazed to hear as she wanted to compete while May and Dawn were interested too, however, a citizen told the gang that the contest season has ended, they didn't like the news but respected the decision. The gang took a break at the pokemon center, greeted by Nurse Joy. Ash called his mother, Delia to check on the process, with May and Max joining in and greeting Delia, she was happy to see them both again explaining their adventure, much to Delia's delight until Mimey greeted Ash and his friends on screen.

After they left pokemon center, everyone eats their lunch at the bakery-cafe as Ty is prepared for his upcoming gym battle at Ecruteak City as they mentioned Morty just as Raye, May and Dawn are still looking forward to participate pokemon contest despite that the beauty contest season ended, however, while the gang enjoyed their meals and chatting, they were interrupted by Victor and Demi who arrived in Bonitaville, the gang weren't happy to

see them since Raye is still having rivalry problem with Demi, Victor mocked the gang by saying if they are tired walking to their journey with Ty telling them to mind their own business while Max told Victor to be nice instead insulting them, with Victor ignoring Max's advice as he steals a piece of sandwich that Max was eating much to Max's upset, just as Ty advices Victor that he'll be ready to compete for his next gym battle, which Victor doesn't care about it, but instead he'll compete to Indigo Plateau since he collected three badges after his victory from a gym battle, shocking the gang, but Ty will be ready to face him at the league while Demi will be looking forward to be best trainer better than Raye, much to Raye's upset. After an annoying argument between Raye and Demi, she challenged Raye into a pokemon battle that she mentioned to her from last, which Raye accepted her challenge.

At the pokemon battle court, Raye and Demi were in position which the battle started, Raye sends our Psyduck first, however, Demi mocks Raye for sending Psyduck cause he's a water type but Raye tells Demi that he's also uses psychic abilities, which Demi didn't care about it until she sent Buneary out. Lillie became a bit worried because Raye has two pokemons while Demi has three with her. Jonah prayed for Raye to win. Demi tells Buneary to use Jump Kick, which she does only for Psyduck to dodge on time and hits Buneary with Psychic, much to Demi's surprise realizing that Psyduck is using psychic. Psyduck uses Psybeam at Buneary, but dodges and uses Jump Kick, hitting Psyduck. Victor was cheering for Demi to not to lose, but Ty cheered for Raye, much to Victor's jealousy while Max was impressed at Psyduck's psybeam that he used. The match continued just as Buneary used her jump kick against Psyduck just as he dodged it and prepared to attack Buneary with Psychic, however, Buneary successfully avoided Psyduck's attack and countered him with Double Kick. Despite being injured, Psyduck resumes his battle against Buneary until she uses double kick again, only for Psyduck to dodge her attack and uses Psybeam at Buneary, knocking out, Psyduck wins.

Demi was a bit upset but calmed after returning Buneary to her pokeball. Then, she sends Sylveon out to battle against Psyduck, Ash and his friends were amazed at Sylveon's appearance that they met early before, but Victor tells the gang to watch Demi's technique. Raye tells Psyduck to use Psybeam at Sylveon, but Sylveon dodges and hits Psyduck with Quick Attack, surprising Ash and Raye just like Pikachu and Eevee uses, Demi told Raye that she trained Sylveon well, but Ty and Max recommended Raye to focus on the battle without distraction, making Raye nodded in agreement. Sylveon uses quick attack against Psyduck, but Psyduck dodged it and hits her with psychic, however, Sylveon continues to battle just as Psyduck uses psybeam on Sylveon but dodges successfully and attacks Psyduck with Fairy Wind, in seconds, Psyduck was eliminated.

The gang grew a bit worried if Raye would lose, but Jonah cheers for Raye to continue the battle, which she smiles at while Demi grows more jealous. Raye sends Eevee out to battle, Demi was surprised about Eevee, but told her that Sylveon will defeat Eevee. Demi tells Sylveon to use fairy wind on Eevee, however, despite her attack, Eevee successfully dodges the attack, proceeding to use quick attack, hitting Sylveon in the process, Sylveon regains and makes her move by using a quick attack, hitting Eevee, Ash was amazed that both used their same attack at each other, Lillie hopes that Raye will win soon, but Victor told the gang that Demi will win for having her best pokemons as Ty recommend Victor that Raye will be better than hers. Just as the battle continued, Demi ordered Sylveon to use fairy wind against Eevee, but misses after Eevee dodged it and hits Sylveon with tackle, but Sylveon tries to use quick attack again but fails as Eevee dodges and counters Sylveon with quick attack, Sylveon had fainted. With one on one left, Demi sends out Fennekin to battle as Raye promised she'll win, she tells Eevee to use a quick attack against Fennekin, but Fennekin dodges the attacks and counters Eevee with Flame Charge. Raye was shocked that Eevee was hit, but resumes to battle despite being hit, Jonah now more worried for Raye but was comforted by Ty, Demi orders Fennekin to use Fire Spin, but misses it as Eevee dodged and hits Fennekin with tackle, just as Eevee prepares to use quick attack, Fennekin dodges successfully and counters Eevee with flame charge, knocking Eevee out. Despite being hit by Fennekin's attack, Eevee regains his balance while Demi tells Fennekin to use flame charge. However, before she does, Eevee charges at Fennekin, firing multiple star attacks, directly hitting Fennekin, making Demi and everyone surprised until Ash reveals that Eevee learned Swift, making Raye amazed by Eevee's new attack, Fennekin tried to use fire spin, but Eevee dodges and uses swift again, hitting her, unable to fight, Eevee finished Fennekin with quick attack, eliminating Fennekin, earning Raye's first victory battle.

The gang congratulated Raye's victory while Victor comforted Demi for her loss, telling her to continue training for a rematch next time, which she smiles at him. Demi tells Raye that she'll train and have a rematch against her next time, Raye accepted her offer while Victor told Ty that he'll battle with him next time, they both leave. Ty was happy for Raye winning her first battle especially for Eevee for learning his swift, Jonah was happy for Raye for her victory, and the two embraced each other. In the sunset, the gang leaves Bonitaville and heads to Ecruteak City for Ty's gym battle.
